- 9 Matters of Report
CCTV Camera installed
Assistance requested for work on 'old village green'
Further sewage problems at The Ferns – complaints received by PC
School governors and I wondered about the possibility of siting it on the village green for community as well as school use. There may be all manner of administrative legal and insurance issues to sort out but before wrangling with these I wonder if you could run the idea past parish councillors and give me some feedback.
Can I suggest that if councillors think there is some mileage in the play equipment idea they nominate one of their number to get back to me for further discussion.
* A call came in at 16:53 of a 2 car collision in the area of the Beambridge. The road was blocked and was not fully open until 18:41. Ambulance attended but luckily no life threatening or series injuries. Six police officers attended, mostly to assist in traffic control and make the area safe for other emergency services. Both cars were removed by recovery vehicles with very heavy damage to both.
Grass Cutting Quotation
- 10 Finance Current account £ 723.83 cr
Reserve Account £ 7766.30cr

Cheques for signature Clerks Salary + Expenses + CCTV Camera
John Burgess expenses for fittings for CCTV Camera
