With rising fuel bills,
can you afford not to?

A team of volunteers, trained to City and Guilds standards, can give you information on how to get grants and discounted offers. The service is free and independent.

One of our friendly, knowledgeable volunteers can survey your home in less than an hour. Volunteers have passed police checks, have identity cards and can advise you on:

Grant funding or discounts

- New or replacement boilers
- Installing or repairing central heating systems
- Loft and cavity wall insulation
- Other green energy grant funding
- Draught proofing

Money Saving tips

- Changing energy suppliers for lower fuel bills
- How to make your central heating more efficient
- Low energy-consuming electrical appliances
- Meter reading and help understanding fuel bills
