Good Morning

Sampford Arundel Parish Council contacted you a little while ago regarding preparations to celebrate the Queen's Jubilee next year.

We would like a permanent commemoration for the people of the parish (for Queen Victoria's Diamond Jubilee, the parish presented to the Holy Cross Church a set of gates which are still there – complete with a commemoration plaque)

As we are a very small parish, the purpose of this letter is to ask if you could help us by contributing to the cause.

Westleigh Quarry has donated to us our choice of large rocks that we could attach a plaque to and I attach a very rough first draft of what we intend to do, placing these at either end of the village subject to planning permission

We are not asking for the money now, but would ask that you let us know if you could contribute so we can plan accordingly.

A donation of around £100 would be of so much help as it plaques and siting etc will cost around £2000

Thank you so much

Maggie Flaherty
Clerk to the Parish Council
